

The Isle of Man Astronomical Society

with kind permission and help of
Onchan District Commissioners

**Would like to invite the public to a night
under the stars. (Weather Permitting)**

Friday 11th January

Saturday 12th January

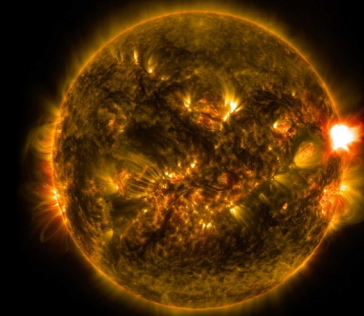

Sunday 13th January

At ONCHAN PARK

7.00 p.m. to 9.00 p.m.

***Saturday and Sunday
Daytime Activities:***

- ◇ ***Solar spotting***
- ◇ ***Indoor Exhibition***

Onchan Park Café will be open for food and drinks

Wrap up warm and prepare for some stargazing fun!

Each evening's event can only take place under suitable stargazing weather conditions, so rain and/or full cloud cover will result in no show on the night.

Children must be accompanied by a responsible adult.

Please do not wave flash lights about as there will be Astronomers at work.

No unauthorised green lasers permitted.

Organisers and contacts for the event:
